

## **Memo**

**To:** CPHAC and DSAC Members

**From:** Margaret Hill, GM Planning and Funding

**Date:** 16 February 2010

**Re:** **NEW PRIMARY AND COMMUNITY SERVICE ENVIRONMENT FOR SOUTH CANTERBURY**

---

Following the public presentation from the DHB Establishment Committee prior to the Meeting this agenda item provides the opportunity for the Community and Public Health Advisory Committee and the Disability Support Services Advisory Committee to consider and make recommendations to the SCDHB regarding the proposed new environment for primary care in South Canterbury.

It should be noted that this proposed new environment may result in changes to current Advisory Groups in structure, role and possibly membership.

### **Recommendation**

That the Committees

- **Note** the presentation from the Establishment Board and provide recommendations to the South Canterbury District Health Board on the proposed new environment for primary care in South Canterbury.
